WE SERVICE

THE CRAP OUT OF YOU

That's our little saying at CT Mechanical. From our veteran foremen and our meticulous project managers to direct access to our mechanical-contractor-in-chief, it pretty perfectly sums up the attentive service that makes us who we are.

Your Faithful HVAC BFF: If dependability and trust are the gold-standard currency in our industry, CT Mechanical is your Fort Knox.

Easy Is Our Expertise: We cross every t and dot every i for you—from accurate estimates to complimentary light consumables to resourceful solutions for unexpected problems.

Leave Your Worries Behind: When it comes to HVAC construction and maintenance, anyway. With our full-service operation, there's no such thing as business as usual.

HEATING AND COOLING WITH ZERO B.S.

MAKING SERVICE WITH A SMILE SEEM BORING

To say we're here when you need us is the understatement of the year. Our finely tuned mix of smart solutions, expectation-exceeding customer care and zero B.S. are all part of our commitment to helping you breathe easy at work—whether we're working with you on a new construction, assisting with ongoing maintenance or just helping you through a \$#!ty day on the job.

WE'LL LEAVE YOU SPEECHLESS WITH SATISFACTION

- ▶ We're part of the solution, showing up on time, responding to phone calls and emails quickly and always putting our brain trust to work to solve your problems
- ▶ More than three-quarters of our project managers are degreed engineers, so we have the flexibility to work across projects in any industry
- ▶ Our Rapid Repair Request lets you alert our service manager when you have facility, operation or equipment emergencies so we can respond accordingly
- ▶ We bring easy with us everywhere we go, providing complimentary light consumables as well as waiving all fuel and trip charges
- ▶ When we say we keep HVAC refreshing, we're not just talking about heating and cooling—we're talking about teaming up to give you solutions that'll knock your socks off

KEEP YOUR HVAC CONSTRUCTION & MAINTENANCE EASY. CALL CTM TODAY.
